DEDICATION

At the pep assembly

Our choice of you, Dr. John W. Dodd, as dedicatee of the 1959 *Voyageur* has a two-fold purpose: first, to show our recognition of your outstanding work as Superintendent of Schools and second, to record visually our fond recollections of your exuberant school spirit. Freeport High School and the senior class will always be in your debt.

FOREWORD

This school year bears special significance to us, the Class of 1959, not only because it is our Senior Year, but because we are the last class to graduate from the old school building. With this thought in mind, the yearbook staff strove to have the annual exemplify the enthusiastic school spirit of each pupil at Freeport High School.

As was once said, "It is the little things in life that count." So are there little things especially peculiar to F.H.S. that we will remember most. It might be the carving on a desk; it might be the hallway trash can directing us to the right. The trophy cases are proud reminders of the fine achievements of our sports teams, and who can ever forget the locker rooms during the mad scramble at the dismissal bell? To band members and homeroom managers, the signouts on the blackboard are most significant; to others there will be the lingering echoes of the P.A. announcements; all of us will remember with affection the F.H.S. book cover with a Red Devil pictured on the back.

Over and above all these little things is an overwhelming school spirit exemplified by our emblem, the Freeport Red Devil. Therefore, the yearbook staff has chosen for the theme of the 1959 Voyageur, "The Spirit of the Red Devil."

BOARD OF EDUCATION

In order to run a school efficiently and smoothly, there is much "behind-the-scenes" work that we as students never fully realize. The hours these dedicated men devote to the efficient planning of our school affairs and their enthusiastic support of our school events is appreciated by all of us. Whether it be the senior play, an athletic contest, an assembly, a dance, or commencement, we recognize the interest of Mr. Leo F. Giblyn and the board members in our undertakings.

Mr. Hugh Erwin

SUPERINTENDENT OF SCHOOLS

Rarely a day goes by that we are not cordially greeted by the familiar face of our Superintendent of Schools, Dr. John W. Dodd. As the head of our school system, his responsibilities entail selecting qualified teachers, providing sufficient classroom facilities and equipment, and making vital decisions concerning our whole school district. Dr. Dodd more than adequately fulfills his job by doing all of these things well and, in addition, by being a friend to all and an advisor to many.

ADMINISTRATION AND GUIDANCE

Although each child has his own character, personality, and degree of intelligence, without the aid of a more experienced mind these characteristics would be for naught. To the Administration and Guidance Department, therefore, has been delegated the task of helping each student discover and enjoy the type of work for which his gifts best suit him.

Miss Davis, Mr. Hoff, and Mr. Hesse counsel junior high school students. Although most of the curriculum is standard, this year special classes were started for those pupils

capable of doing advanced work.

Miss Didas and Mr. Puff are the senior high school counselors, and their job includes administering aptitude tests, planning schedules, giving advice about colleges, and finding available jobs for high school students.

At the head of this department is our principal, Mr. Southard, assisted by Mr. Franklin. We sincerely appreciate the unselfish devotion to their jobs, which has in turn made our high school careers the more enjoyable and successful.

Mr. Southard's Message

In 1924 the high school we all know opened its doors to 850 students and faculty. From this small group to the twenty-six hundred of us today there has been inherent in all our efforts a "Spirit of Freeport High School." This loyalty — an inexpressible feeling which pervades us and makes us give to our high school wholehearted support in all its activities, scholastic and extracurricular — is the heritage of each succeeding class.

The Spirit of Freeport High School stands for a number of things. It is the building which we came to love first from a sense of duty and later for itself and its associations.

It is the faculty who have awakened the sluggish, encouraged the eager, and quickened the indolent.

It is the students unified in loyalty — fun loving and hard working — who have a sense of the values of freedom.

It is the studies which lead to academic success and self-mastery.

It is the school activities that help develop cooperation, friendliness, and tolerance among us.

It is the athletics which keep us fit and help us to keep the rules of sportsmanship.

It is the hospitality that treats all visitors with consideration and courtesy.

Through the years the achievements of Freeport High School in her many endeavors have been notable. From her halls have graduated thousands of young men and women who took with them qualities that are marks of good breeding, a receptive attitude toward the finer and more significant things of life, an appreciation of the assistance given to help them make a satisfactory, mature adjustment in life, and a respect for the source of that assistance.

You, the Class of 1959, are joining the classes that precede you in the refrain:

"We shall never fail
To respect you, aid you, love you.
F.H.S., all hail, all hail!"

SPORTSMANLIKE DRIVING

Pedestrian Accidents Are Many

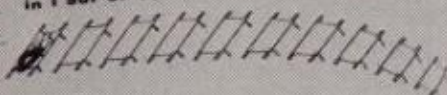

One out of every four persons killed in traffic accidents in the United States is a pedestrian. In cities, the proportion is often much greater. The New York City Police Department reported that 72 per cent of the city's traffic fatalities in one year were pedestrians. Many were injured or killed while crossing the street against the traffic light, and many while crossing between intersections. In cities with over 500,000 population, usually 3 or more are killed in every 5 persons killed in traffic are pedestrians.

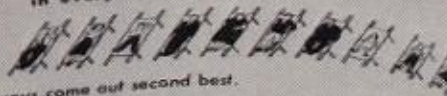

Fig. 214. Pedestrians always come out second best.

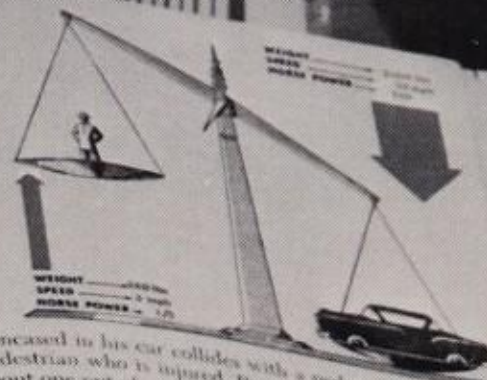

Here, in round numbers, is a tragic picture of what the pedestrian is facing in modern traffic. In one year, in the United States, some 900,000 automobile accidents cause injury or death. In these accidents, over 200,000 adults and child pedestrians are hit by automobiles. Some 8,000 of these pedestrians are killed. Many times that number are crippled. It is clear that the Motor Age has given the man on foot some serious problems.

Man Versus Car

In ANY collision of pedestrian and automobile, the pedestrian is obviously at a great disadvantage. The automobile has the better of it on all counts—size, weight, speed, momentum, impact, and hardness of material. Flesh and bones are no match for steel, glass, and rubber tires under pressure. The driver in his car is like a

Fig. 215. The pedestrian is no match for the car.

If a driver so encased in his car collides with a pedestrian, it is the pedestrian who is injured. Personal injury occurs in only about one out of every 10 accidents where a car crashes into a car. But practically every accident where a car and pedestrian crash involves an injury.

A 140-pound pedestrian walking at 3 or 4 miles per hour has no chance against the impact of a 3,200-pound machine traveling at the 25 miles per hour speed which is legal in most city traffic—to say nothing of the legitimate 50 to 60 miles per hour on many rural highways.

Accidents happen very fast. On city streets, the pedestrian has little chance to get out of the way once he has stepped into danger. In a recent year, 200,000 city pedestrians were injured or killed. Three per cent were killed.

SENIOR CLASS HISTORY

Four years ago a new freshman class entered Freeport High School, a class which was filled with boys and girls bubbling over with "The Spirit Of The Red Devil." This spirit was to motivate many of us on to becoming leaders academically, athletically, and socially in the years to come. Slowly this group of freshmen became sophomores, then juniors, and finally seniors. At last the year arrived when the class of '59 was no longer a graduating class of the future.

In the early fall of our senior year many of us sent in our applications to the colleges we hoped to attend. A tense period of entrance examinations, personal interviews, and College Boards followed, but the spirit of the Red Devil helped us to pass through it. While we anxiously awaited acceptance to college, we cheered on our undefeated football team which came out on top as the Nassau County Champs. We found our spare time occupied with the Senior Play, "Too Young, Too Old," and our successful Senior Variety Show, "Out of This World." 1959 also found us working under new conditions such as split sessions and shorter class periods, but somehow we managed to survive the strain. We were measured for our caps and gowns, had our pictures taken for the yearbook, and we danced to the dreamy music of our Senior Prom. The year was an eventful one for the graduation class, and before we realized it our senior year had come to an end.

When we thought of the new careers we would be beginning after graduation, we became a little sad about leaving, but we knew we would carry part of Freeport High School with us, and that part was the spirit of F.H.S.

Helping Hands

L. TO R.: Mrs. Joyce Brown, Mrs. Margaret Wettlaufer, Mrs. Virginia Mitthauer.

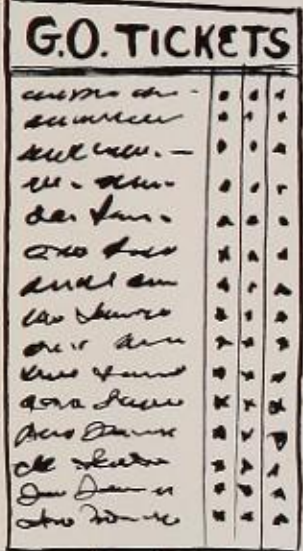

“The Spirit of the Red Devil” is the theme for this year’s Voyageur, and it wouldn’t seem quite right to think about this spirit without mentioning one of the places where it develops — the home-room.

Seventh and eighth graders are introduced to the spirit of the Red Devil when they purchase their first G.O. tickets and when they read their first copy of *FlasHingS*. In high school, the home-room becomes more of a social center where upperclassmen hear the latest gossip about who's going with whom, talk over homework assignments, and are brought up to date on the latest fashions, football scores, and parties.

The homeroom is the place for P.A. announcements, making out schedule cards, receiving report cards, P.T.A. notices, and blue slips, and taking mid-term examinations.

It is truly the keystone of our school affairs and the focal point of our social activity. In the future we shall remember it as the foundation upon which our school spirit was built.

GENERAL ORGANIZATION

The backbone of all activities, and the student governing body of Freeport, the G.O. has been directly responsible for the success of our school year. Headed this year by Jimmy Tucker and advised by Mr. John Major, it has been an indispensable part of all of our school activities.

In the spring of last year the Red and White parties were organized, caucuses were held, and an exciting election campaign began. Using authentic voting machines, the G.O. members elected a capable slate.

In the fall the ticket sales began. The percentages

skyrocketed until we were sure of another record-breaking year. Red Devil weekend was highlighted by our Baldwin victory, and the spirit of our school overflowed into the community. Four dances were arranged in addition to an informal dance following the Calhoun basketball game.

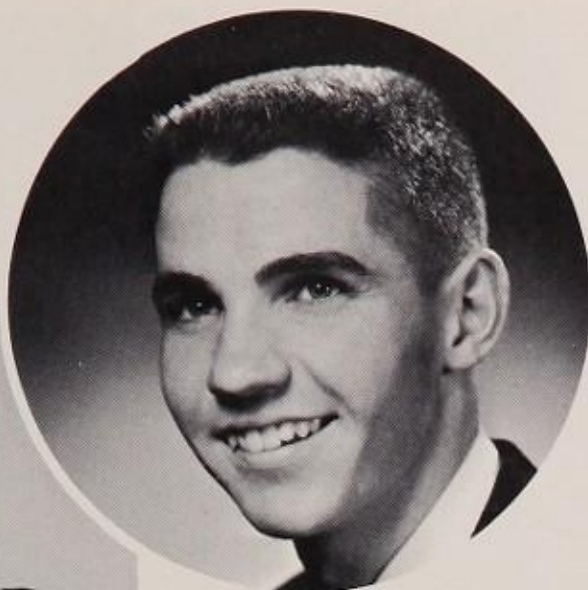

When the year was over, we knew that the G.O. and its officers had accomplished their goals — to promote the activities of the school and to represent the student body.

NATIONAL

Membership in the National Senior Honor Society is one of the ultimate goals of every Freeport High School student. From the top fifteen percent of the class, members were selected on the basis of their achievement in scholarship, leadership, character, and service.

Under the advisorship of Miss Mary Didas, two formal induction services were held, the first in the spring of our junior year and the second in the fall of our senior year. After president Susan Everett

introduced the program, Lynette Lieppe spoke on scholarship and its relationship with the other principles; Judy McGuire explained the values of a good character; Judy Titus defined true leadership and explained how it can be attained; and Bobi Perrell spoke of the services which every one of us can perform. Patricia Kucin then explained the symbol of the society and the inductees pledged to uphold the ideals of our school.

HONOR SOCIETIES

"To promote scholarship and good citizenship" is the worthy aim of the National Junior Honor Society. Requisites for membership include not only excellence in scholarship, but in leadership, service, character, and citizenship as well. This is illustrated by the fact that the members have attained not only an outstanding scholastic rating but they have also

played an important part in the activities of both our school and our community.

Throughout the year the club has been very active. They had a carnival to raise funds; they planned a beach party; and they conducted an Induction Service. The group, composed of eighth and ninth graders, was advised by Miss Alice Davis.

The clatter and roar emanating each Monday afternoon from Room 119 was not the sky falling out but the energetic activities of the Voyageur Staff. Putting out the best possible yearbook was hard work but well worth the trouble once the final product came back.

A glance into the room on any afternoon revealed at least one person working. If it wasn't Maureen tapping away at the keys, it was Mary Lou trying to keep up with the ever-changing graduation list, or Ann searching to uncover the countless number of "John Does." But if some members were missing, they weren't sleeping. Harry, the photographer's shadow, was running around the school helping to "snap" our memories. Long into the night, Judy racked her brain and magazines for new layouts, and Grace tried to arrange photo schedules with the faculty and administration. Inta efficiently kept track of the wins and losses of the teams, while Joan was always on the spot to fill in "white space." If we wanted a picture of a devil, presto! the devil was ours. In the background were the junior trainees, running errands, alphabetizing senior copy, or sorting pictures.

All these energies, of course, were not undirected. Behind all this was Pat, overseer of all, who made all our problems her problems, and of course Mrs. Albert. With her critical eye and a nod of approval, our pages fell into place one by one. By spring the staff heaved a sigh of relief when we knew the presses could finally roll.

FLASHINGS

"FlasHingS will be distributed in the homerooms today . . ." When those words come over the P.A., excitement in the homerooms begins to mount. "What will this issue of FlasHingS contain?"

Our renowned newspaper, which is published seven times each year, has been made possible only through the diligent work of Judy McGuire, Editor-in-Chief, her able assistants, and their advisor Mr. Joseph P. Pollard.

This year's staff expanded the paper, and two new

columns were added. The "Inquiring Reporter" asked questions of various students and faculty members pertinent to our school life. "The Big Bopper" kept us up-to-date with the happenings in the music world.

Almost every day found the FlasHingS staff members hard at work in Room 135 preparing for the next issue. They certainly deserve a gold medal for their efficiency and hard work.

PUBLICATIONS STAFFS

Under the guidance of Mr. Ernest Newton and the leadership of Editor-in-Chief Deanna Applebaum, the *Business Publications Staff* was responsible for the financing of the *Voyageur* and *FlasHingS*. With persistent and efficient ad-canvassing, they have collected enough money to help defray the rising cost of publications in our school.

In Room 103 on Monday afternoons, the members of the *News Service Staff* could be found collecting and organizing material to inform the public through the local newspapers of the events and happenings in F.H.S. Editor-in-Chief Jeanne McDonald and Advisor Mr. Walter Lucas contributed their time and effort to make the club a success.

KEY CLUB

The Key Club, the most valuable service club at F.H.S., is composed of select members who are chosen on the basis of their scholastic ability and their contributions to the school.

Included among the many services the Key Club members performed were selling candy at basketball games, programs at football games, and instituting dress-up-day each Friday. With the money they earned plus their profits from selling wreaths at Christmastime, the club was able to send F.H.S. representatives to the National Key Club Convention. Gary Guttman, president, was aided in his leadership by Mr. Foster Hoff and Mr. Richard Reed, Advisors.

F. T. A.

The Leo F. Giblyn Chapter of the Future Teachers of America was advised by Mrs. Phebe Schilling and had an active membership of about eighty. One of its main activities was Cadet Teaching which enabled many seniors and juniors to assist teachers in the elementary grades, thus gaining valuable first hand experience in the educational field. The members also attended a workshop in Bethpage, heard interesting speakers, saw films, and reported on books and magazines. This year's officers were Grace Engelholm, President; Jackie Katz, Vice-President; Rosalind Zeichner, Recording Secretary; Linda Devonshire, Corresponding Secretary; and Sally McIntyre Treasurer.

RED CROSS

Once again, as in years past, the Freeport Chapter of the American Junior Red Cross conducted a successful fund-raising campaign and fulfilled Freeport's membership quota. Money was collected by representatives in each homeroom of both the senior and junior high under the supervision of Miss Florence Clark and Miss Ruth More. The money was used to buy gifts of cigarettes, candies, and nuts to fill Christmas stockings for wounded veterans.

HOMEROOM MANAGERS

Throughout the school year, the homeroom managers serve as the agent through which the G.O.'s various organizations may reach the student body. From the G.O. ticket campaign in the fall to the distribution of FlasHingS at the end of each month, the homeroom managers, under the leadership of the G.O. officers and their advisor Mr. John Major, have completed another successful, sales-breaking year.

"Today's news today . . ." That's the motto of Freeport's cheerful P.A. announcers. We have never been at a loss for news in F.H.S., for our diligent commentators keep us informed about all school activities. Under the guidance of Miss Mary Barlow, ingenious staff members have added a touch of elegance to the daily announcements by singing jingles, reciting poetry, and playing records for our enjoyment.

FUTURE HOMEMAKERS OF AMERICA

The F.H.A. motto, "Toward New Horizons," challenges and reminds members that their contributions to home life today will influence the kind of home they will have tomorrow.

The Senior Chapter, under the guidance of Mrs. Alma Rowley, worked toward their goal by collecting food and clothing for worthwhile charities and having cake sales and other Christmas and Thanksgiving projects.

The Junior High Chapters, supervised by Miss Zita Burguillos and Mrs. Lenora Monkemeyer, also worked diligently and conscientiously on Thanksgiving and Yuletide projects and did their share to further the success of the organization.

MIXED CHORUS

The harmonious sound of our Mixed Chorus, composed of boys and girls from the senior high school, will long be remembered by all of us. Under the direction of Miss Miriam Roberts, the chorus displayed its exceptional ability in the Christmas Assembly as it sang "A Gay Norwegian Carol" and "Christmas Tide," a medley of familiar carols. The chorus also participated in the Sunday Afternoon Music Hour and the Annual Spring Concert. The chorus members deserve recognition for furthering the success of Freeport's musical program.

NINTH GRADE CHORUS

Under the direction of Miss Miriam Roberts, the Ninth Grade Chorus excelled in this year's singing presentations. Attired in dark skirts and white blouses, the girls were an added attraction to our impressive Christmas Assembly as they sang "I Have a Little Dreydl" in celebration of Hanukkah, "Sing Gloria," and "In the Candle's Ray."

The girls also sang in the Spring Concert and Commencement exercises. We certainly owe the girls in this chorus much credit for giving their time to uphold Freeport's traditional musical excellence.

SENIOR GIRLS' CHORUS

The Senior Girls' Chorus has greatly contributed to the tradition of F.H.S. Under the direction of Miss Miriam Roberts, the girls highlighted the Christmas Assembly with their candlelight processional and the singing of "O Come Emmanuel" and "Adeste Fidelis." "What Child is This" and the beautiful "Ave Maria" were also among the other songs sung.

The girls in the chorus devoted much of their time attending afternoon rehearsals to prepare for the Sunday Afternoon Music Concert, the Spring Concert, and the Commencement exercises. They were led by officers Carol Harris, President; Betty Lou Carbaugh, Vice-President; Melanie Christiansen, Secretary-Treasurer; Terrie Feustal, G.O. Representative; and Norma Smith, Publicity.

In addition to the Junior High Concert, they also lent their musical charm to the P.T.A. supper program and the Nassau County Music Festival. Special recognition should go to their accompanist, Richard Evans, and director Miss Jeanne Maxwell.

JUNIOR BAND AND JUNIOR ORCHESTRA

From the ranks of the Junior Band and Orchestra come the future Senior Bands; these junior high musicians form the very backbone of our renowned Senior Band and Orchestra. With patience and a determination to learn, the young musicians are ably guided and taught by Dr. J. Maynard Wettlaufer and Miss Jeanne Maxwell.

The Junior Band performed for our enjoyment in the Memorial Day parade and at the Sunday Afternoon Concert. The Junior Orchestra performed at Junior High assemblies and at other concerts throughout the year.

MARCHING BAND

On the job — Ann Birgenthal, Catherine Esposito, Roger Schenke, and "Prof."

This year, although greatly reduced in size because of split sessions, the Marching Band did not curtail the quality of its music. Because of the enthusiasm and diligence of the band members and their director, Dr. J. Maynard Wettlaufer better known to all in F.H.S. as "Prof," the band performed at football games with its customary excellence in formation.

In addition to playing at such school functions as the Sunday Afternoon Concert, the Spring Con-

cert, the Memorial Day Parade, graduation exercises, and assemblies throughout the year, the band played at many outside events. In New York City it was heard at the Paramount theater for the premiere of "Mardi Gras," and at the Norwegian Parade. Seen on television and featured in parades and premières the Freeport High School Marching Band has continued to be a source of great pride for Freeport.

CHEERLEADERS

The "Spirit of the Red Devil" is best exemplified by the energetic Freeport cheerleaders. Co-captained by Sue Everett and Judy Titus and advised by Miss Ruth Richter, these vivacious girls are responsible for boosting the spirit of the school. We will long remember their peppy cheering at the football and basketball games and the zest they added to the pep assemblies. To enable football fans to attend the Mt. Pleasant game at Schenectady, New York, the cheerleaders held

a "Soc Hop" and raised enough money to charter buses.

The agile boy cheerleaders have almost become a tradition at Freeport High. With their acrobatics and original cheers, they have ignited many football fans. Co-captains Richard Sigal and Carl Biathrow are to be given credit for their fine leadership. Mr. Henry Puff, advisor, should certainly be proud of the way these boys have added to Freeport's spirit.

VARSIITY FOOTBALL

Coach Ashley

Coach Bill Ashley was highly instrumental in the success of the 1958 Varsity Football Team. Under his dogged tutelage, the Red Devils in the 1958 season lined up their 22nd consecutive victory. In the nineteen years of Ashley's coaching at Freeport, his teams have won 104 games and lost only 22. This certainly is a sterling record. Bill Ashley has been chosen as the "Coach of the Year" by the *Long Island Press* and has been recognized as an outstanding coach by the national magazine "Newsweek" and various New York newspapers.

The fiery spirit of the Freeport Red Devils sparked the team to an undefeated season, thus enabling them to win the South Shore Athletic League Class A Championship. Our brilliantly performing team under the able leadership of Captain Richie Nathan had the brawn, stamina, and determination that was necessary for the eight victories. Halfback Jerry Jackson attained top honors, All-Scholastic, and Nassau-Suffolk All-Star, with his expert ball handling and dependable running, tallying a total of nineteen touchdowns during the season. Other outstanding players who contributed to the team's success were Bob Ramsdell, who was chosen as All-Metropolitan and All-Scholastic, Richie Nathan, John Seeley, John Cappazzoli, Dave Padgett, Gary Guttman, Joe Caruso, Dave Swanson, Ray Ozsvath, Joel Johnson and Bob Woelfel.

A first in Freeport's football season was the T.V. telecast of the Freeport-Hempstead game. This game was an exciting challenge to both teams as they struggled on a muddy gridiron. In the fourth quarter viewers witnessed the defeat of the Hempstead Tigers as Jackson tallied a touchdown.

The Freeport-Baldwin game ended the 1958 season. Quoting one of Long Island's daily papers, "Red Devil weekend in Freeport brought out all the colorful pageantry imaginable to add lustre to a scholastic rivalry that ranks as one of the biggest on the Island and dates back to 1924." This season's triumph gave an 18-17 edge to the Devils in the series with the Golden Waves.

Although many of the key players are graduating, the spirit of the Red Devil and Coach Ashley will remain to guide future teams to victory.

The success of our Varsity Football Team certainly is due to some extent to the excellent training many of the boys get playing Junior Varsity and Frosh football. Under the supervision of Coach Al Renkin, who instructs the J.V. team, the boys learn the fundamentals of football as well as good sportsmanship. Both

teams had a successful season, but more important is the experience the players gained. On the J.V. team Versocki, Cardone, Dray, Phillips, and Epstein appeared to be good varsity material. The Varsity squad is insured many successful seasons in the future.

Undefeated this year was the '58 Cross-Country Team coached by "Red" Miller. Led by co-captains Jim Tucker and Richie Saunders, the team placed third in the South Shore Meet and second in the Nassau County Sectionals. This striking record was attained because of painstaking practice sessions and the indefatigable determination of the team.

Jim Tucker, the finest runner in the history of

F.H.S., has been top harrier since his sophomore year. In addition to winning all the season's meets, he placed first at St. John's Invitational Meet and at the N.Y.U. Interscholastic Meet. Our "Mr. Wonderful" has also taken first place honors in S.S.A.L. and Section Eights. At the N.Y. State Championships, Tucker placed third, and was the only runner from Freeport to compete in the state meet more than

TENNIS

Although the tennis team at the present time is a somewhat new and inexperienced team, it certainly shows great promise for the future. Under the expert coaching of Mr. Russell Terry, the boys developed fine techniques and team spirit. Jack Valenti and Brian Yourn, seniors, along with Richard Mortak, Albert Hausfather, and Richard Eisman, juniors, made a fine showing at the games. The future success of the team is insured by upcoming sophomores and juniors.

Other harriers making a fine showing at the meets were "Whitey" Kress, who placed eleventh in Section Eights, Bob Vivian, Leo and Ernie Zafonte, Peter Bowers, Richie Saunders, and John Maikisch.

Although six of the top eight runners will be graduating, promising underclassmen should make the '59 team successful.

BASKETBALL

Though the Freeport hoopsters were not as successful as in previous years, everyone will agree they deserve credit for the tough competition they gave their opponents. Each game was an exciting challenge that displayed unity in teamwork and school spirit. Co-captains Jerry Jackson and Joel Johnson and Coach

Glacken are to be congratulated for their services. Creditable performances were handed in by Bruce Lutsk, Bill Tydeman, Mike Frank, Jerry Rolle, and Pete Rowan. Because many of these boys are returning and because of the potential of the J.V. players, next year's squad should be a victory team.

WRESTLING

The F.H.S. wrestling team took third place in the S.S.A.L., Section II league this year. Led by co-captains Frank White and Gary Guttman, the team placed five men in the finals of the sectional tournaments. Gary Guttman and Don Chaffin

captured first place in their respective classes while Frank White, Bob Taylor, and Dave Padgett secured second place. Coach Vince Zuaro was impressed with the entire team's showing and predicts a banner year next season.

RIFLERY

This year as in previous years the riflery squad had an excellent season. The riflemen, under Mr. Joy's expert coaching, won four consecutive division championships and three South Shore Championships. Captained by Pete Bowers, the squad

set a new record high of 925. Although the coming year will miss the performances of Pete Bowers, George Davis, and Ed Wendelboe, underclassmen like Bob Harger, Bob Henke, and Jim Carswell insure another sterling season.

FIRST ROW, L. to R.: E. Fishmen, Captain M. Berman, J. Panagakos, B. Yourn. SECOND ROW: G. Bosch, D. Goldsmith, M. Bernstein, F. Bloom, R. Eisenstadt, Coach R. Powell.

BOWLING

The bowling team, ably coached by Mr. Randy Powell, finished an excellent season by placing first in the South Shore Section II League. Placing first gave them the right to participate in the Long Island Tournaments. Captain Mike Berman, Arthur Kent, and Joel Panagakos were this year's outstanding kegglers. Another successful season is assured next year because five of the letter men are returning.

Freeport High School can certainly be proud of the 1958 lacrosse team. The stickmen completed the season with twelve victories and only two defeats. This excellent record was achieved only through vigorous training, determination, and the expert coaching of Bill Ashley. Co-captains Dick Finley and Bill Pen-

nell, two outstanding players, were responsible for keeping up the spirit of the team. Although the '59 team will miss the performance of All-Scholastic Charlie Jackson, Ricki Riccardi, Dick Finley, and Tom Donnelly, it should prove victorious again with many lettermen returning.

Although the 1958 track team's record was not an outstanding one, the boys displayed overwhelming spirit and good sportsmanship at all the meets. Captain Jim Duffy can be credited for keeping the team in fighting spirit. Coach Augustine was the guiding light for Jim Tucker, the shining star of the team, who placed third in both the State Meet and the

South Shore Championships. Others taking individual honors were high jumpers Bill Trachtenberg and Bob Braverman, both of whom placed in the Section I South Shore Championships.

The '59 season promises to be a successful one with Jim Tucker and Ernie Zafonte as co-captains.

wins and no losses, was voted the Most Valuable Player. Other outstanding players were Richard Vogt, Frank Medaglia, William Watson, Frank White, Bruce Toelle, and Roger Ciotti. The '59 team should prove successful with Frank White as Captain.

Under the capable supervision of the Boys' Leader Corps, the boys' gym classes have been running smoothly and efficiently. These boys are chosen on the basis of leadership and their familiarity with sports and exercises. Devoting a period each day to help Mr. Tuthill and Mr. Augustine conduct the

large gym classes, the boys are responsible for leading exercises, refereeing games, and conducting the decathlon tests, which are given annually. For his invaluable aid, each boy is presented with a letter at the end of the year.

A necessary cog in the gym machinery is the student leader. Conscientiously she guides the girls through the exercises, teaches some techniques in various sports, takes attendance, and helps the gym teachers, Miss Dorothy Clark and Mrs. Miriam Moser. Each spring at the G.A.A. Assembly new girls are chosen to replace the graduating student leaders. To qualify, these girls must be dependable, skilled, and competent. As a reward for the fine work they do all year, each senior student leader is presented a gold key.

GIRLS' ATHLETIC ASSOCIATION

By participating in various sports a girl may attain her first award, 125 points, and become a member of the G.A.A. As a member of this organization she must have participated in two sports each year, and she has the privilege of voting for G.A.A. officers. Points for awards are earned by attending practice, playing on class teams and honor teams, refereeing games, and

passing written examinations. Upon attainment of 600 points, a girl receives her gold key, the highest honor in girls' sports.

Each spring at the G.O. Girls' Sports Assembly campaigning for G.A.A. officers gets under way. The highlight of the year is the annual G.A.A. Spring Banquet. At this time awards are made and new officers are announced.

BADMINTON

Badminton, a fun-filled sport, is characterized by the familiar "birdies" and rockets. This fall every Tuesday and Thursday our badminton players practiced vigorously to perfect their game. Climaxing the season, a ladder tournament was held to determine the Honor Team. Combining accuracy, skill, and stamina, the Honor Team placed third on Honor Team Play Day held at Oceanside.

VOLLEYBALL

Volleyball, a favorite sport with all, once again commenced this fall with a large turnout of girls. Tuesdays and Thursdays found the girls playing in "shifts" because of the large groups. Under the able supervision of Mrs. Moser, the girls learned new techniques in mastering the popular sport. From the class teams, the Honor Team was chosen, which made a fine showing at Honor Team Playday at Baldwin.

ARCHERY

"Is it harder to hit a bull's eye or to find lost arrows?" That was a question discussed by Freeport's archery participants. Every Tuesday and Thursday afternoon, under the direction of Mrs. Moser, the girls practiced diligently at Raynor Field. The girls who accumulated the most number of points at the practices represented Freeport at the Honor Team Playday in Mephram.

SOFTBALL

Again this spring we saw Miss Clark's girls racing down to Raynor Field every Monday and Wednesday afternoon eager to begin another season's practice. "Practice, practice, and more practice" became a familiar term among the girls. The girls' determination and fine sportsmanship were important factors in their making a fine showing at the Honor Team Playday at Mephram.
